Excerpt: The Argentine defense industry has developed over the years, different programs to improve the armed forces of Argentina. The first major steps to establish a defense industry were made during the Second World War and they received a boost during the 1970s after the United States imposed an arms embargo due to human rights violations. The politics of privatization carried out during the 1990s virtually eliminated domestic military production, but many factories were reopened during the last years by both Kirchner administrations....
