

The Book of Souls: A Detective Inspector McLean Novel

Filesize: 4.86 MB

Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

(Dr. Marcel Collins)

Mariner. 1 Paperback(s), 2013. soft. Book Condition: New. Every Christmas for ten years, a young woman's body was found in Edinburgh: naked, throat slit, body washed clean. The final victim, Kirsty Summers, was Detective Constable Tony McLean's fiancée. But the Christmas Killer made a mistake, and McLean put an end to the brutal killing spree. In James Oswald's sequel to *Natural Causes*, 12 years have elapsed, and although the killer has died in prison, a series of copycat crimes have begun. McLean will have to revisit his most troubling case to find out what clues he missed, before the murderer strikes again."This is a fine crime novel, so sharply written that it wouldn't be out of line to mention Oswald in the same conversation as such notable Scottish crime writers as Ian Rankin and Val McDermid. Oswald's relatively new on the scene, but he has a lot of talent, and readers of Scottish mysteries would be well advised to get in on the ground floor."Booklist 440.
