Developed and edited by one of the specialty's most respected and distinguished surgeons, this new and completely up-to-date handbook functions equally well as a survival manual for residents, as a quick reference for experienced clinicians, as a go-to source for managing emergency situations, and as a study guide for anyone preparing for board exams. It articulates the standards of care recognized by all licensed practitioners and the specific protocols that must be followed in providing treatment for the surgical patient. The authors are recognized authorities who know the most pressing questions that are likely to arise in the clinic and operating room as well as the answers to them. Compact and portable, this handbook is a ready source of essential information for the busy clinician. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
