Balboa Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Georgina is born with a scary special gift-to put it mildly. All her life, she's known she was different from others, but it took her a long time to figure out exactly what was happening to her. There were the night terrors, but many children get those. What she couldn't ignore were the presences-figures from other places and times who were desperate to communicate with her. As an adult, she retains many memories of past lives. Studying the ancient evidence for angelic and spiritual energy gives her a Phd and a new perspective on the world. Sometimes, it's all about meeting the right people. When Georgina is introduced to a group of believers in vibrational energy, things begin to make sense, and this entertaining, globe-spanning story begins to take flight. Learning that she isn't crazy is the start of a whole new journey. The characters, both living and dead, become a team, Indigo 33, who develop in intriguing ways, crossing dimensions to bring support and healing with radical treatments to fix the effects of past life trauma, drug addiction and depression. The Indigos are about to rock the world as they produce scientific evidence of more than their own abilities. With the media on their side, the word will get out, and no one will be able to deny their existence. Although many will try. Those who know will understand, those who would like to know will try harder, and those who have forgotten their old wisdom will decide it is just pure fiction, but is it? This fascinating story moves briskly along to a satisfying conclusion that will please fans of mysticism...
