### ***Reviews***

*This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Junius Herman)*

## LAY SUBSIDY ROLL FOR THE COUNTY OF WORCESTER

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 32 pages. Original publisher: Washington, DC : Population Division, U. S. Bureau of the Census, 2002 OCLC Number: (OCoLC)52610579 Subject: United States -- Emigration and immigration -- Statistics. Excerpt: . . . International Migration Data Guide This conflict is handled differently depending on the survey format ( paper or computer-assisted ), and how the edit specifications were written for a particular survey. Whereas in Census 2000 this issue would be resolved by the citizenship status being blanked and imputed based on a conflict with place of birth - yielding a non-citizen, the CPS editing procedure would permit the conflict to remain, yielding a U. S. citizen. Also, for computer-assisted instruments, enumerators are unable to enter invalid years of entry. In other words, the computer program does not allow the respondent to give ( or the enumerator to record ) logically incorrect responses to the year of entry item. In certain cases ( such as CPS ), DK ( Dont Know ) and R ( Refused ) responses are permitted in the CAI environment even if not listed on screen. Conclusion The management of migration data by the U. S. Census Bureau continues to evolve. Items such as parental nativity have been dropped indefinitely from the census long form while other items have been included regularly as part of the basic CPS instrument; and, beginning in 1999, both national estimates and projections by nativity have been produced. Furthermore, recent SIPP panels include migration-related items. Other surveys, seldom used for studying the foreign born, such as the NHIS, NYCHVS, and the AHS potentially serve as sources of additional information on the foreign born. New surveys ( ACS ), supplements ( NHIS ), and questions ( SIPP ) contribute to the...
