INNER HEALING: MY LIFE IN POETRY (PAPERBACK)

America Star Books, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Life is often a series of struggles and challenges. Most people feel they go through them completely alone. Others go through similar obstacles knowing they are not alone. God is with them. God s comforting presence and silent communications of strength can be the coping mechanisms that allow us to survive all types of circumstances. Writing can be a way of releasing the inner emotions hidden deep inside and bring forth healing from the inside out. May my words help you see there are others facing what you may be facing. Others are still surviving to help you the way God s presence has helped them. The path to inner healing is a path recognizing God s ever-present support. It is a path overcoming obstacles in a fundamental but necessary road of growth, dying and renewal; in eliminating spiritual decay and finding new seeds of new life and God-given happiness.
