

Of the Social Contract and Other Political Writings

By Jean-Jacques Rousseau, Quintin Hoare

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Of the Social Contract and Other Political Writings, Jean-Jacques Rousseau, Quintin Hoare, 'Man was born free, and everywhere he is in chains'. These are the famous opening words of a treatise that has stirred vigorous debate ever since its first publication in 1762. Rejecting the view that anyone has a natural right to wield authority over others, Rousseau argues instead for a pact, or 'social contract' that should exist between all the citizens of a state and that should be the source of sovereign power. From this fundamental premise, he goes on to consider issues of liberty and law, freedom and justice, arriving at a view of society that has seemed to some a blueprint for totalitarianism, to others a declaration of democratic principles. This title is translated by Quintin Hoare and is presented with a new introduction by Christopher Bertram.
