Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Wood-Carver of Lympus The yellow glory of the stage-coach still illumines some of the valley roads in rural New England, and still by means of it, if one bestir himself betimes, he may overtake that Past which is fleeing from us with accelerated speed. This is specially true of the larger river valleys of our North Country. Here the four-horse coach still swings cumbersomely on its antiquated leathers and, rolling and pitching like a lumberman s lugger in the La Chine rapids, lunges along the post-roads of Northern and Central Vermont. At regular intervals the horses stop to water at some roadside trough of hollowed log, or stone, or iron in the shape of a huge sap-kettle.
