Trafford Publishing, Canada, 2005. Paperback. Book Condition: New. 221 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.A true story of a former Wal-Mart truck driver who was falsely accused of shoplifting a pouch of chewing tobacco and fired from his job weeks later. The motive for Wal-Mart s actions were the result of a comment made to a brash Loss-Prevention supervisor after he made a bad impression with me by suggesting I stole from Wal-Mart. Then he denied making such allegations and/or my response to him afterwards. It took over four years to get Wal-Mart to disclose the name of a very important witness for me. It took five years and a trial to expose Wal-Mart s bad decisions. It took five years and a trial to obtain the original investigative report which could have exonerated me of any shoplifting allegation. This report was discovered in the possession of the brash Loss-Prevention supervisor. Wal-Mart knew of, but failed to disclose, this report during discovery, an abuse of the system which Wal-Mart is fined and sanctioned over and over. This book outlines my life, immediately prior to becoming a Wal-Mart employee, the terrible employee treatment and immoral business practices of Wal-Mart, a jury verdict of 8.5 million dollars against Wal-Mart for its bad decisions and business practices, and what occurs after the verdict.
