Pages Number: 896 Publisher: East China Normal University Press Pub. Date :2010-04-01. versatile junior high school math problem Code published three years by the readers attention and love. During the many readers. especially the first line of teachers teaching in the use made valuable comments and suggestions. I hope we will do a better job. This year is also the national junior high school curriculum reform since the full implementation of an important stage of development of the situation and to face the needs of readers. we conducted a comprehensive revision of the book. As editors. we realized that in the new situation. a good supplementary books. curriculum reform should reflect the basic philosophy. commitment to enhance students learning and practice. the ability to explore; should also be concerned about the recent reforms in the examination proposition trend. serving teachers. teaching practice. as the front-line teachers and students to provide real help. The second edition. we listened to the reader s recommendations focus on doing the following: (1) of the original book review. adjustment of the overall structure. organization. presentation to the selection of each question and the resolution of the original re-reading the book for a comprehensive ten chapters of the arrangements at the adjustment. make it more reasonable and easy to access. Appropriate adjustments to the kinds of questions. each section of the book s multiple choice. fill-in is relatively consistent and unified position on the start of each section. According to reader comments. to reflect the typical questions to the role of some sections in the most simple questions were deleted. the equivalent of textbook examples and exercises included in principle requires the basic questions....
