Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

WHITAKER'S ALMANACK 2001

U.K / The Stationery Office, 2000. Hardcover. Book Condition: New. The Almanack, which began life as a money-spinning collection of jottings by journalist Joseph Whitaker in 1868, is probably now the most eclectic annually published single-volume reference book there is. This being the 133rd edition for 2001 looks forward, as usual, with a detailed account of the year it relates to--events, anniversaries, astronomical data and so on. It also provides a record of all the key events which took place both in the UK and across the globe in 1999. A 1st edition hardback with its dustjacket in new condition. (1285 pages). This is a heavy book (over 1.4kg), so there will be an extra postage charge.
