Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE LOST SPELLS

Paperback. Book Condition: New. Bradley Peterson (illustrator). Paperback. 172 pages. A blind witch named Vira haunts 12-year-old Karl's new home with deadly intentions. Though by fate, Karl discovers Vira's spell book and turns the spells against her. If only she had left Karl and his family alone. The haunting starts when Karl and his family move from their lush mansion in San Francisco to a broken-down ranch house outside of Tucson, Arizona. Karl grasps the potency of Vira's power when he meets a talking spider named Mary. She's a victim of the ghost witch, and has been trapped in a spider body for more than a hundred years. Mary leads Karl to a conquistador treasure deep in the canyon behind his home. Vira steps up her attacks and captures Karl's family. With Mary's help, Karl is able to decipher the lost spell book and save his parents. He then returns Mary to her human body and sends her back in time so that she may live her life. Says Kirkus Discovery Reviews: Loaded with commentary, word definitions and story expansions, this fantastic debut young adult novel is a fast-moving, magical, action-adventure story that unobtrusively passes along a few lessons on how to disengage from the virtual world and develop solid values.
