Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Every negotiation starts with an opening. It s what we all do at the start of a negotiation. What a lot of us don t realize is that how we handle the opening of a negotiation can have a big impact on how the rest of the negotiation goes. The very possibility of success may hinge on how we start things off. What You ll Find Inside: THREE SECRETS THAT HAVE BEEN MISSING FROM NEGOTIATION TRAINING THE DELICATE ART OF USING PERSUASION IN NEGOTIATIONS 3 NEGOTIATION TIPS FROM THE MASTER: DONALD TRUMP 7 WAYS TO BE SUCCESSFUL IN A NEGOTIATION There are a number of different factors that go into opening your next negotiation correctly. You need to be able to read the body language of the negotiating team that is sitting across from you: are they under pressure to reach a deal, or do they have all the time in the world? Negotiation has a flip side and its name is persuasion. Understanding what persuasion is and, more importantly, how best to use it during a negotiation can go a long way in helping you to change the other side s view and what they are willing to agree to. It can be very easy to focus completely on the negotiations that are happening right now. However, as negotiators we need to be able to see the big picture. We will probably negotiate with the other side again at some point in the future. What this means for us is that we have a responsibility for making sure that when the negotiation is over and done with, both sides leave the table with a feeling of satisfaction....
