Together for the first time, are four incredible short stories! Each a powerful and evocative tale, and each, so different. The Yggdrasil Codex Let Sleeping Draugs Lie I ll Buy You The Moon Crime Punishment ----- The Yggdrasil Codex In this life there are a great many profound questions that have yet to be answered: Are we the first intelligent life in the universe? Why are we here? Man continues to ask these questions, apparently to deaf heavens. But what if someone, or something, did answer? In the short story The Yggdrasil Codex, two University researchers stumble upon an incredible secret encoded on ancient Scandinavian runestones. Their discovery leads them into the world of modern code-breakers and ultimately leads to a revelation with galactic consequences! Let Sleeping Draugs Lie It s Erik Ragnarsson s first summer raiding season. With his new ship Ottar, and his very own crew, Erik sets out for glory and wealth. A freak storm blows them off course and when they make landfall, things are not...

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.
