Excerpt: . . . 15 The Committee continues to be concerned about the lack of ca-pacity and coordination to address the manifold and complex health challenges facing sub-Saharan Africa. The Committee re-quests USAID, in collaboration with the Department of Health and Human Services and the Office of the Global AIDS Coordinator, and in consultation with the Committee, to submit a report, not later than 180 days after the enactment of this Act, describing ex-isting cooperation between the United States and regional entities in Africa to strengthen health infrastructure, policy and programs in sub-Saharan Africa. The Committee is aware that the conflict in Sudan has left a very serious impact on education in South Sudan, especially in the Nuba Mountains, and urges USAID to emphasize strengthening the health system, including training of health workers, in its rede-velopment assistance plan. The Committee notes that maternity services are in especially high demand. The Committee provides 3, 000, 000 to USAID to establish a pilot program to support public private partnerships that address the need for improved healthcare facili-ties on the Mexican side of the border. Improved health care facili-ties in Mexico will reduce the requirement for care that is provided to undocumented migrants within the United States. The grants should be awarded...
