I m presenting just a piece of me so that by the time we end this journey of my life you will fully be engulfed in my expressions! These short poems created for small book group discussion and table top chat as you gather with friends and family. I would like to take this moment of your time to thank you for reading Part 1 Ice Cream Parlor (short poems for discussion and small talk) As a picture is worth a thousand words self expression can be exposed and dissected to mean or be interrupted into how you have viewed personal life s experiences or have witnessed the lives of those around you. Life may be filled with a magnitude of sorrows, joys; difficulties and triumphant times. Take time to enjoy life and build in areas that have been weakened; reinforce your mind with positive flow and avoid the negatives that come to bring your self-worth into question. Our lives may cross for a substantial time frame or we just may by coincidence meet briefly to enhance one another. However we meet by chance or for a purpose; remember to always be the best you that you can be! Life is too short to view life through tinted glass. Take daily inventory of self to discover the true essence of you! This edition was created as an introduction to My World My Life My Expressions a collection of poetry that I have written for the past 30 years. I look forward to having you apart of my reading audience, a fan of my creative written expressions. My written expressions will touch on a...
