

Shengli Oilfield Development Technical Proceedings (2010-2011)(Chinese Edition)

Filesize: 9.69 MB

Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

SHENGLI OILFIELD DEVELOPMENT TECHNICAL PROCEEDINGS (2010-2011)(CHINESE EDITION)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub a Date: 2012 Pages: 596 Language: Chinese in Publisher: Petroleum Industry Press the Shengli Oilfield Development Technical Proceedings (2010-2011) collection published by the the Shengli Oilfield 2010-2011 development technology forum 50 papers. epitomized Shengli Oilfield technology research development in the past two years the covers fine geological studies. reservoir engineering. oil production. EOR and EOR technology. increasing domestic oil reserves and production work has higher guiding significance. Shengli Oilfield Development Technical Proceedings (2010-2011) for reference oilfield development and technical personnel. management personnel. and students and teachers. Contents: Shengli Oilfield the SEC reserves assess characteristics of the methods. analysis and assessment of the status quo of emancipating the mind and innovative theoretical research technology to promote the sustained and stable development of oilfield development Gudao oilfield polymer flooding EOR pilot test of the progress and effectiveness of strengthening basic research plan adjustment strategy to continue to improve the water flooding level of reservoir development Shengli Oilfield the dense reservoir development research progress and direction of the work of the next step innovation and development of chemical steam flooding technology to create a substantial increase in the potential for high water cut stage heavy oil recovery killer Shengtuo. oil field and the development of countermeasures shoal reservoir seepage Mechanism and effective development technology actively study and practice of exploration the shoal reservoir development technology ultra-low penetration shoal reservoir of carbon dioxide flooding technology further studies Duocuobingju the western fast on production now the river is low penetration of the the old oilfields adjustment practice and effect - Shishen 100 Shahejie deep low permeability reservoir to strengthen research to achieve the Xianhe areas of low permeability reservoir speed development Chengdao...
