Outskirts Press, United States, 2010. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Sometimes I have a difficult time accepting my good fortune to be living at this particular time -- nothing has made me feel more that way than reading Dr. Jerome s fascinating, realistic, and informative book. It is a treasure house of wonderful information, useful knowledge, and excellent writing. This book essentially takes the basic religious truths that have been handed down to us over hundreds of years from our major world religions and shows how current findings in subatomic particle physics, quantum theory, and laser technology gives us a way of seeing how they may well be agreeing on the same basic truths that construct and maintain our matter and spiritual existence. Larry Dossey, M.D., President of Isthmus Institute and author of Space, Time, and Medicine and Beyond Illness, has written an excellent introduction and endorses Dr. Jerome s work. I believe that any credible scientist would do the same and certainly every New Thought student should be enthusiastic about the work. This book is not another scientific text. It is that, of course, but is so much more and such fun reading. Take a look at this book which is entertaining, informative, and above all else, a book which has great application to daily living. -- Jack H. Holland, PhD., D.D. -- Theologian, Reviewer of scientific and theological literature for The New Thought Quarterly, and Director of The Institute for Human Growth and Awareness. Dr. Jerome s book just might be one of the most important books of this era. It explains the holographic nature of God s consciousness in terms that are understandable. -- Tommy Sellers, communications expert in computer science and laser...
