The students ranged in age from eight to sixty, were of both sexes, represented many professions and lines of business, and varied greatly in scholarship and in culture. Among the different needs which brought them to school, expressed in their own language, were Self-Confidence, Repose, Observation, Memory, Originality; Expression in Conversation, in Extempore Speech, in Elocution, in Dramatic Art, in Oratory, in Vocal and Instrumental Music, in Authorship, in Salesmanship; Management of People; Voice Culture; Physical Grace and Skill; Health; Personal Force in all Situations, etc., etc. It would perhaps occasion little surprise if the discovery of scientific remedies for such a heterogeneous list of needs should appear a difficult if not impossible task. The difficulty was much lessened, however, by the fact that the same fundamental remedy applies in a more or less direct way to all conditions. We have aimed to make suggestively...

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
