Reviews

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.
(Prof. Alvis Wuckert)

PRINCIPLES OF DATA MINING AND KNOWLEDGE DISCOVERY 6TH EUROPEAN CONFERENCE, PKDD 2002, HELSINKI, FINLAND, AUGUST 19-23, 2002, PROCEEDINGS LECTURE . LECTURE NOTES IN ARTIFICIAL INTELLIGENCE

Springer. Paperback. Book Condition: New. Paperback. 514 pages. Dimensions: 9.1in. x 5.9in. x 1.2in.We are pleased to present the proceedings of the 13th European Conference on Machine Learning (LNAI 2430) and the 6th European Conference on Principles and Practice of Knowledge Discovery in Databases (LNAI 2431). These two c- ferences were colocated in Helsinki, Finland during August 1923, 2002. ECML and PKDD were held together for the second year in a row, following the success of the colocation in Freiburg in 2001. Machine learning and knowledge discovery are two highly related elds and ECMLPKDD is a unique forum to foster their collaboration. The benet of colocation to both the machine learning and data mining communities is most clearly displayed in the common workshop, tutorial, and invited speaker program. Altogether six workshops and six tutorials were or- nized on Monday and Tuesday. As invited speakers we had the pleasure to have Erkki Oja (Helsinki Univ. of Technology), Dan Roth (Univ. of Illinois, Urbana- Champaign), Bernhard Scholkopf (Max Planck Inst. for Biological Cybernetics, Tubingen), and Padhraic Smyth (Univ. of California, Irvine). The main events ran from Tuesday until Friday, comprising 41 ECML te- nical papers and 39 PKDD papers. In total, 218 manuscripts were submitted to these two conferences: 95 to ECML, 70 to PKDD, and 53 as joint submissions. All papers were assigned at least three reviewers from our international program committees. Out of the 80 accepted papers 31 were rst accepted conditi- ally; the revised manuscripts were accepted only after the conditions set by the reviewers had been met. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
