PINDAR PINDARS OLYMPISCHE ODEN IN IHR SYLBENMAASS VERDEUTSCH (1)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 120 pages. Original publisher: Washington, D. C. : U. S. Dept. of Education, 2008. OCLC Number: (OCoLC)231324933 Subject: Mathematics -- Study and teaching -- United States. Excerpt: . . . National Mathematics Advisory Panel FINAL REPORT xv The President asked the Panel to use the best available scientific research to advise on improvements in the mathematics education of the nations children. Our consistent respect for sound research has been the main factor enabling the Panels joint conclusions on so many matters, despite differences of perspective and philosophy. At the same time, we found no research or insufficient research relating to a great many matters of concern in educational policy and practice. In those areas, the Panel has been very limited in what it can report. The Panel lays out many concrete steps that can be taken now toward significantly improved mathematics education, but it also views them only as a best start in a long process. This journey, like that of the post-Sputnik era, will require a commitment to learning as we go along. The nation should recognize that there is much more to discover about how to achieve better results. Models of continuous improvement have proven themselves in many other areas, and they can work again for America in mathematics education. The National Mathematics Advisory Panel The President established the Panel via Executive Order 13398 (Appendix A), in which he also assigned responsibility to the U. S. Secretary of Education for appointment of members and for oversight of the Panel. While the presidential charge contains many explicit elements, there is a clear emphasis on the preparation of students for entry into, and success in, Algebra. Over a period of 20 months, the Panel received public...
