Young footballers who make it in the premiership can go from rags to riches in a very short time. Almost overnight their fame and fortune can change. If you have had a serious injury you are not rushed back on the playing field to soon as it will not recover and heal correctly. Ultimately there are consequences for the lack of rehabilitation with it. So the question needs to be asked, what happens if you give young footballers to much too soon Can we treat the process like an injury as previously described What will be the effects of this It can have both a positive and a negative effect on the individuals concerned. Take for example, George Best, who had all of the talent on the field but off the field lived the life of a young man who wanted to enjoy life with no boundaries, no limits and no fear. Paul Gascoigne, who was a brilliant footballer whose genii on the pitch knew no boundaries, he felt that he could do anything on it and the same off it. Lets look at players and role models like Michael Owen, David Beckham and Thierry Henry - the ultimate professionals. Modern day professional players are not only our role models on the pitch but the same off it. With the increasing pressures placed on them with their superstar status its important that they are now looked at in this way as they are only in the public eye through their football attributes and for no negative reasons. All of the above mentioned players have gone through a process, from their rise as young youth team professional footballers to...
