Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the earliest days as thinking humans we have had many questions about life. We have had fewer acceptable answers. This is beginning to change as we are learning more and more about life and how it developed. I grew up in the Bible Belt of Mississippi. We were taught that God created all life and then He created Adam and Eve in the Garden of Eden. But then I read about ancient fossils of human-like creatures and started learning about evolution. So what is the truth? Am I to continue to believe the literal words of the Bible or the findings of archaeology and the related scientific evidence? I had to find the truth so I started my search. Let s explore what I learned. As we walk about Earth and look around we learn that there are about ten million species of animals and several hundred thousand species of plants, but all the lives that we see are latecomers on planet Earth. And even the fossils of old that we find, when added to the life...
