Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

INSTANT PALMISTRY: A PICTORIAL GUIDE

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Here is one of the most fascinating and authentic works ever produced on the interpretation of lines on the palm. There is a hidden meaning for every line that appears on the palm and the author has explored the occult significance attached to each line and sign. Napoleon had said: Perhaps the face can deceive but never the hand. This book is a concrete proof of what he said. The study of palmistry needs tenacity and patience and sometimes a guru (teacher). But with this book you can study the abstruse subject of palm-reading at ease and in your leisure time. This book describes all the essentials of the subject which you can easily pick up. Printed Pages: 154.
